TONES OF BEAUTY is the only professional trade show in Europe catering to the multicultural beauty industry. Join us to forge connections with influential decision-makers and explore exciting business prospects.

At Tones of Beauty, connect with manufacturers, suppliers, distributors, retailers, beauticians, hair professionals, barbers, salon and spa owners, department chain store buyers, and other stakeholders in the black, Asian, and mixed heritage beauty sectors.

This inclusive platform is designed to elevate your business profile and broaden the reach of your products and services tailored for an estimated 18% of the population, comprising 12 million individuals with an annual disposable income of £4.5 billion. Don't miss this unparalleled opportunity to engage with a dynamic community and unlock new avenues for growth in the vibrant multicultural beauty market.

The UK's multicultural health and beauty market is valued at £2.7 Billion.*

**The Black Pound Report*

WHY THE UK MULTICULTURAL BEAUTY MARKET?

Tones of Beauty is your only opportunity to meet with 150+ international beauty suppliers, who are looking for business partners in the UK. While visiting the show, you will be able to view 1000's of industry products from around the world. Be the first to sample new products, source new suppliers, keep up to date with the latest trends and elevate your beauty business further. With the competitiveness of the industry increasing daily, this really is a show you cannot afford to miss.
